

# CLK ELEMENTARY

## Grade 1 Curriculum Guide

CLK Elementary is committed to providing your child a solid academic foundation and well-rounded education. Children engage in a variety of experiences designed to foster their continual growth. This curriculum guide is based on Michigan State Standards established for each subject area. These are the core learning expectations that will be taught and assessed to determine your child's progress this year.

As a parent, active participation in your child's education is essential. Your child is very valuable to us, and we want him/her to succeed at school. Please support this effort through ensuring good attendance, communicating often with teachers, and encouraging your child to always do his/her personal best.

The shaded areas indicate in which marking period the standards are expected to first be assessed.
