

ANNOUNCEMENT OF POSITION VACANCY
Calumet High School & Washington Middle School
Public Schools of Calumet, Laurium, Keweenaw
April, 2024

Position:

High School/Middle School Industrial Technology Teacher

Who We Are:

At Calumet, we inspire students to think, learn, achieve, and care in a global community. We strive to serve the needs of all learners while seeking ways for all students to reach their full potential. Our mission is to involve all stakeholders in the educational process so that our graduates leave our district as critical and analytical thinkers who understand how to communicate, build relationships, collaborate, advocate, and articulate ideas. Our highly qualified staff works to develop the leadership skills of all students so they may become self-directed lifelong learners who are responsible citizens that are respectful, empathetic, and conduct themselves with high levels of integrity. We offer personalized learning opportunities where students can grow in a caring environment.

The Role:

At CLK Schools, we focus on building relationships with our students. We believe that students don't care how much you know until they know how much you care. We are looking for someone with a passion for learning and their content area with a desire to connect those two passions. If you are interested in working in a dynamic school that encourages its teachers to change the way we traditionally teach, then CLK Schools is your place. We have 1-to-1 computing devices for our students, Promethean ActivPanels in all of our classrooms, and personalized learning pathways for our students, with a continuous focus on offering new and exciting courses and opportunities.

Qualifications:

- Possess or be able to obtain a valid Michigan Teaching Certificate with an endorsement in Industrial Technology (IX or TE)
- or-
- Possess or be able to obtain a Standard CTE Certification or Professional CTE Certification with the corresponding CIP code for Industrial Technology
- Equally passionate about content area and educating high school/middle school students
- Have knowledge/experience of secondary curriculum and effective instructional practices
- Excellent communication skills, both oral and written

Responsibilities:

- Plan and deliver course instruction for high school students and/or middle school students
- Collaborate to design learning units that connect to multiple disciplines or real-world issues
- Align curriculum and instruction with the mission of the school and current Michigan standards
- Creates a student-centered learning environment
- Translates lesson plans into learning experiences to best utilize the available time for instruction
- Develops lesson plans and instruction to adapt the curriculum to the needs of each student
- Communicate with parents/guardians to discuss student's progress
- Supervises students in out-of-classroom activities during the assigned working day
- Participate in school improvement and professional activities
- Other duties as assigned by the principal

Salary and Benefits: According to the CLK Master Contract

Start Date: End of August 2024, exact start date TBD

Deadline to Apply: until filled

How to Apply:

External candidates should send a cover letter, resume, transcripts, credentials, and references to
