

Dear CLK Families,

People have been very generous by donating skates to the CLK Elementary Skate Drive. We have many pairs of skates available from youth sizes to adult sizes. Skates will be given to students as sizes are available. Skate sharpening will be the responsibility of the child's parent(s).

If you are in need of skates, please complete the CLK Elementary Skate Drive Request Form. Mr. Kinnunen and I will do our best to get the skates to you as skate sizes are available and requests are made.

Have a safe and happy holiday season.
Mr. Kinnunen and Mr. Hampton
