

Hello May

It's hard to believe we're in the final month of the school year! As the saying goes, time flies when you're having FUN—and we've certainly had plenty of fun and learning here at CLK Elementary!

May is packed with exciting events, and the first week of June keeps the momentum going. So grab your calendars and get ready to jot down all the important dates—from our Spring Music Concerts to the 4th and 5th Grade Track Meets, and of course, our end-of-year picnic celebrations.

All of these important dates (and more!) can be found in the next few pages of this Conglomerate. Let's make this final month the best one yet!

This time of year offers a special opportunity to express our deep appreciation for all the CLK Elementary Teachers and Staff. Your hard work, dedication, and unwavering commitment to our students do not go unnoticed. You wear countless hats—working long hours, offering endless encouragement, and pouring love and care into our students each and every day. It is because of you that our school is such an exceptional place to learn and grow. CLK Elementary Teachers and Staff, please know that we appreciate you more than words can ever truly express. Thank you for everything you do!

Every day at CLK Elementary, we dedicate time to share positive moments during our classroom morning meetings, interventions, specials, and various other times throughout the school day. Both staff and students engage with one another by asking, "What is something good happening in your life?" This practice of sharing good things has fostered strong relationships among students and staff. We've encouraged students to contribute a positive update for the Conglomerate. Be sure to ask your child, "What is something good with you today?"

Be Leadworthy

Live with honesty and excellence.

*This month, we are challenging students to choose to do the right thing, no matter who is watching. We each aim to live with the ability and willingness to exist with honesty and excellence. **We want to partner with you to highlight your child's integrity.** As you do this month's activities, look for opportunities to celebrate your child's integrity and character growth.*

1 ENGAGE: Create a Top Ten List

Ask each member of your family to write a trait, a behavior, or an attitude that demonstrates integrity or honesty on a sticky note. Put all the notes on a wall or table and develop a family definition of integrity based on your responses. Altogether, brainstorm ten ways that personal integrity makes a difference. Consider how it impacts your family, school, community, and world. Facilitate a discussion about what happens when integrity is compromised.

2 EMPOWER: Be an Integrity Scout

Ask your family to watch out for any positive behaviors —such as integrity or honesty —that they observe during the week. At the end of the week, encourage everyone to share their observations. Then, ask each family member to write affirmations to individuals who exhibited positive behaviors and deliver them. Finish the activity by having everyone describe what they learned by looking for positive behaviors.

3 EXCEL: Live it Out

Ask each family member to share a time when they didn't act with integrity. Perhaps they were dishonest or didn't treat someone with empathy and respect, or maybe they didn't step up when something wrong was happening. Whatever it is, commit to owning the behavior and apologizing to the person or people your behavior may have impacted. Come back together as a family and share what happened when you apologized.
