## 5th Grade STEM Outreach Activities

On Friday, January 31st, the Lake Linden-Hubbell 8th grade

eCYBERMISSION team and students from Michigan Technological University visited all 5th grade classrooms. Students learned about electrical engineering by making circuits from Play-Doh. In addition, students made paper circuits, while other students made BouncyBOTS. Ask your child about series and parallel circuits, what an LED is, and what vibrating motors do/where you can find a vibrating motor. One of the Tech students, Zarek Pirkola, is studying Electrical Engineering Technology and graduated from Calumet High School.

## No School

There will be no school on Friday, February 21st and Monday, February 24th, due to the mid-winter break. School will resume on Tuesday, February 25th.

## Substitutes Wanted

The Public Schools of Calumet-Laurium-Keweenaw are in need of substitutes for teachers and support staff. Check our website at [www.clkschools.org](http://www.clkschools.org), Employment Page, if you are interested in substituting.

## Regional Spelling Bee

Congratulations to Levi McDonald on taking 2nd Place in the Regional Spelling Bee. Great job Levi!

## Groundhog Burrow STEM Challenge in Miss Johnson's Class

Our class completed a Groundhog Burrow STEM Challenge last week. The kids learned about where groundhogs make their burrows and thought about what

shape the entrances and exits are, came up with a plan for how they could build a burrow and drew a picture, and then used materials to build what they drew.

## Boys Take 3rd Place

Congratulations to the 3rd and 4th grade boys' basketball team for placing 3rd at the Lake Linden Tournament.
