## Grade 4 Cooking With Kids

For the past several years, our fourth grade students have enjoyed the Cooking With Kids program that is put on through the Western Upper Peninsula Health

Department. Mr. Arnie Kinnunen and Ms. Bonnie Morley would come every week for several weeks to teach us about healthy foods and cook with us. Students have discovered the many different varieties of healthy foods and snacking through this program. Many students have even commented how they had never tried some of the foods we have cooked with before having Cooking With Kids! Of course, with our new safety precautions, we've had to change it up a little. However, the Health Department is very conscientious about community outreach and education, so they've come up with a clever solution. Each Wednesday, Arnie and Bonnie will come in masked and gloved (socially distanced as well) out a healthy, packaged snack. They'll be in our rooms less than 15 minutes each, so it's a very safe alternative. Thank you Arnie and Bonnie, and thank you, WUPHD!
