Thinking Like Architects & Engineers in Mrs. Bastian's Class

Our class was using Keva Planks for some hands on

activities. We were thinking like architects and engineers.

Our focus was problem solving and connecting to the theme of "try, try again" from the Magic Tree House book we are reading.

Kings Ticket Winners

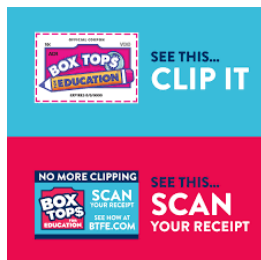

Things We Save At CLK Elementary

Econo Foods receipts, Our Family brand labels and inkjet cartridges.

Also, please keep sending in the box tops for education labels if you're still finding any. Box Tops has changed to "Scan Your Receipt" with the new Box Tops app. You use the app to scan your store receipt within 14 days of purchase. The app will find participating products and instantly add Box Tops to your school's earnings online. Thanks for your support!

Elementary Boys & Girls Basketball

Recently MDHHS approved the start of winter contact sports. High school basketball teams are running on an accelerated schedule, which is putting a lot of demand on the gym space. The elementary basketball coordinators are currently working with our high school basketball programs, which are a major part of the elementary program, to determine the best course of action for providing our elementary students with a basketball experience this year. Further updates will be provided as details are worked out.
